

Safe Parking Around Your School

YOU MUST

- Park **away** from the Bus Zone
- Park **clear** of the School Crossing
- Park **outside** of No Stopping and No Standing Zones
- Park **away** from corners
- Leave the school driveway **clear**
- **Never** double park

Be prepared to park a little further away and walk to meet your child at the school gate

REMEMBER - NEVER call your children across the road. Their focus will be on you and not the surrounding traffic.
